NEWSLETTER

Dear Parents,

It is an absolute pleasure to welcome you all back to school for 2015! It has been delightful to see all the students again this week and I extend a warm welcome to the many new students from Year 1-6 and their families. I am confident your time at OLA will be a rich and rewarding experience on many levels.

The students are to be commended on the way they have settled well into new routines. Along with many new students, we have new Class teachers: I officially welcome the new staff members - Mrs Lopresti in Year 4, Mrs Long (job sharing with Mrs Rizk) in Year 4, Ms Crozier in Yr 2, Mrs Cannavo in Yr 1 as well as Mrs Micallef (Italian), Mrs Lombardi and Ms Marchant. I am very happy to have such fine professionals join our existing staff of excellent teachers.

As well as these, we welcome back Mrs Moulton from maternity leave and Mrs Eisenhuth who will be taking over the role of Reading Recovery teacher (along with Mr Baker). We also welcome Lauren Forwood, our new school counsellor. I am confident you will make all these new members to our community very welcome, in true OLA way.

As we reflect on the previous year, we think of how God was with us every step of the way, even when you think He wasn't, He was more so. We thank Him for His gentle and loving presence. We pray that, this year, we will be more alert to the promptings of the Holy Spirit, leading us through Jesus into an even deeper union with our loving God.

I wish everybody a fabulous year, academically, socially and spiritually. If your child is feeling any apprehension for any reason, please call the school and let us know. It's best to do this surreptitiously. If we don't know about 'it', we can't do anything about 'it'.

How marvellous it is to see the progress to the new church, looking more impressive each day. Please note that the official opening and blessing will not be on the 19th March as hoped and will now most likely be May 1st, Feast of St Joseph the Worker.

School Leadership

Next week, all students from Y1-6 will be voting for School Captains and Sports House Captains.

We wish them all luck in this process. On Thursday, our Stage 3 students took part in a Leadership Skills Building Program in preparation for the Student Leadership elections. Refer to the 'From the Classroom' section of this Newsletter for further information

Congratulations to the **Principal's Award** recipients for Term 4, 2014, see here enjoying morning tea with the principal.

Welcome Kindergarten 2015

On Monday we welcome our new Kindergarten students for 2015. Please be conscious of the increased number of students and their parents next week and perhaps offer some assistance and words of welcome. Thank you.

Gospel Reflection

Mark 1:21-28 *Jesus heals a man with an unclean spirit and his fame spreads throughout Galilee.*

The people who heard Jesus teach and saw him heal in today's Gospel were said to have been astonished and amazed by the authority of his teaching. So compelling were Jesus' words and actions that the news about him could not be contained; it spread quickly throughout all of Galilee. Two thousand years later, the news about Jesus continues to spread. We are called to participate in sharing the Good News of Jesus with others in our words and in our deeds. *(Sourced from loyolapress.com)*

Welcome back to the school year. I hope everyone had a lovely, relaxing holiday with your family. I give a warm welcome to our new students and families and welcome back all members of our school community. 2015 is shaping up to be another busy and exciting year for the OLA community. I encourage all members of our school community to be active participants in the spiritual side of both our school and parish. There are many opportunities throughout the year for us to gather as a whole community. One of these opportunities is our daily morning gathering where we join together and say our prayer. I ask that during this time reverence is shown at all times as the children learn from the example set by the adults in their lives. It would be great to have some parent volunteers to lead us in Morning Prayer with their children. Mrs Emma-Kate Callaghan ☺

SAINT OF THE WEEK: ST. JOHN BOSCO.

John Bosco was born in Turin, Italy. His parents were poor farmers. His father died when John was only two years old. By the age of nine, John wanted to become a priest and his mother let him go to school. John became a priest in 1841.

As a priest, Don Bosco, which means Father Bosco, began his great ministry. This kind priest felt sad when he saw so many children living on the streets of Italy. Like a loving father, he gathered together these homeless boys and taught them trades. This way they would not have to steal or get into trouble. By 1850, there were 150 boys living at his home for boys. Don Bosco's mother was the housekeeper. He loved these children, however naughty they were, and the boys loved him because John Bosco always encouraged them. Don Bosco started his own religious order of priests and brothers. They were called the Salesians, after St. Francis de Sales. Then he started the order of Salesian sisters with the help of St. Mary Mazzarello. These men and women pray and teach young people about God's love in countries all over the world even today.

His advice to them was, "Pray when it's time to pray. Study when it's time to study. Play when it's time to play. Show kindness to everyone you meet. But do it all for the love of Jesus." *(Sourced from Holy Spirit Interactive).*

Please Speak Up.

Clear and open communication is the key to successful relationships and so it is in this school community. If you have any issue or concern, no matter how trivial you think it may be, please do not hesitate to phone me or drop an email to the school so that it can be clarified. The sooner this is done the better. Often, something trivial is innocently discussed out of context among parents and the matter becomes a source of unnecessary anxiety. I would hope that, if you were approached about something to which you have no answer that you respond with, 'Call the school and ask them'. Thanks for your understanding and cooperation.

Some housekeeping reminders:

- If there is a need to pick up your child early, please **DO NOT CALL THE OFFICE** to call your child. They will be called only when a parent has arrived to collect them.
- Supervision before school does not begin until 8.20am. In the interest of your child's safety, please do not allow him/her to enter the school grounds through the small gate adjacent to OOSH.
- When collecting your child after school, please wait in the COLA area or the basketball court;
- When using the drive-through, please display your name on the passenger side sun visor. It is not possible to read a name that is flat on the dash board
- Please remember that the area from the church to outside the school office is no parking during the morning drop off and afternoon pick up times.

From the Parents and Friends Association

SPECIAL TREATS 2015

Special Treats will begin next Friday. This term the treat will be ice blocks which will be available at the second break for 50c each. Thank you to all of the wonderful volunteers 'new and old' who will be helping us! J

SECOND HAND UNIFORMS

Thank you for your generous donations of uniforms so far! If you still have any items of clothing that you would like to *donate* to the OLA Second Hand Clothing Shop, please send in the *clean* items to the school office in a plastic bag as soon as possible.

The Second Hand Uniform Shop will be open toward the end of the term, the date to be confirmed.

Many Thanks, OLA P&F Committee

Reminders...

Attendance and Punctuality With the transition to FACES, the CEDP electronic administration system, all student attendance (class rolls) must be entered electronically. This means that students late for school, that is arriving **after the 8.50 am** bell, will be considered late. If your child is arriving after 8.50am, please bring them to the office and you must sign a late slip BEFORE he/she goes to class. These guidelines are in keeping with the Government Department's directive to reduce absenteeism from and tardiness for school.

At OLA, the first bell each morning is at 8.45 am. Allowing a little more time in the morning will mean less stress for you, as parents. Having your child at school by this time minimises anxiety and sets them, and their peers, up for a good start to the day.

Supervised Duty

The morning supervised duty begins at 8.20am. Please do not drop your child earlier than 8.20am. If the double gates are closed, then students are to wait outside these gate until the teacher opens the gates. The students are not to enter via the small gate near KTOOSH.

PLEASE NOTE THAT ALL ALONG THE DRIVE THROUGH FROM THE CHURCH TO THE SCHOOL ADMIN IS A NO PARKING AREA FROM 8.15AM TO 9.15AM AND 2.30PM TO 4PM. PLEASE OBSERVE THIS AND AVOID THE EMBARRASSEMNT OF BEING ASKED TO MOVE.

Morning Drop Off/Afternoon Drive Through Pick Up

As OLA now has over 400 students, the morning drop off and afternoon pick up is quite a challenge, but with everyone's co-operation it works very well. In the morning with parents rushing off to work, etc, patience is especially needed to be exercised so please allow time for this and remember to keep within the speed limit of **10KPM**. Please also remember that you are able to park across the road at Bruce Purser Reserve and either walk across to collect you children, or if they are old enough, they can walk over to meet you. We had quite a few families who were doing this last year and they found that this was a much simpler way of collecting their children after school.

This is a reminder that **KINDERGARTEN PARENTS ONLY** are expected in the drive through **before 3.10pm**. Please do not arrive in the **drive through** before this time if you have any children in any other grades. This includes parents of kinder students with older siblings. In fact, we are suggesting that, if any of your children are in Grades 3 to 6, please arrive around 3.20pm and not before. Also, please display your name card on the PASSENGER SUNVISOR upon entering the drive through. Please don't wait till you have arrived at the pick-up point as students' names need to be called well before this to ensure a smooth flow. If you don't have a name card, simply make one by writing your surname large and clear in black on white card.

We are very fortunate to have this drive through/pick up facility and, given the numbers of students and cars, the process works very well with everyone's cooperation and patience. Please be mindful of our neighbours and DO NOT block access to and from the adjacent streets.

Many hands make light work.

Once again, we are asking for assistance with the morning and afternoon traffic flow by parents/carers acting as a 'lollypop' person. This was a big help last year and we are appealing to anyone who can give 10 minutes in the morning or the afternoon to control the flow of pedestrians and cars during the 10 minute peak periods. This is only on the school grounds. A high visibility vest will be provided and a 'lollypop'. If you are able to assist, please contact the P&F or the school by email with 'lollypop person' in the subject line. The more people we get, the easier it will be and we can draw up a weekly roster.

CONGRATULATIONS TO OUR VERY OWN MR PARSELL, father of Georgia in Year 1. Mr Parsell was awarded the Ambulance Service Medal in the Australia Day Honours List. The Ambulance Service Medal is the second big honour for Mr Parsell. In September he received the Ambulance Service of NSW Award. Well done to this very kind and humble man. We are proud and honoured to have you in our parent body. Full story can be found at <http://m.dailytelegraph.com.au/newslocal/news/brian-parsell-awarded-ambulance-service-medal-on-australia-day/story-fngr8gwi-1227197295134>

UNIFORM - PLEASE NOTE...

This is a reminder to you so that you can support us in ensuring students are looking smart and 'uniform'...

Shoes are 'black leather lace up or velco- not dress shoes (girls) and not black sport shoes.

Girls' headwear is navy, teal or white ribbon or the school scrunchie or headband – not fancy flowers, etc

Summer white socks are not the sports anklet socks but ankle socks that finish above the ankle bone.

Sports shoes are to be white or predominantly white.

School bag is the regulation navy school bag provided by the school, please.

The tracksuit top is only to be worn with sports uniform. The navy jumper or bomber jacket is to be worn with the summer/winter uniform.

Thank you for your cooperation.

Mathematics Assessment Interviews

Thanks to the many parents who responded to our request for after school appointments next week. Every child has received a confirmation note today, which indicates the date and time of their appointment. Please check these notes as the appointments begin on Monday afternoon.

ICAS

Attached to this newsletter is the form for ICAS competitions. These are voluntary competitions held from term 2 in the areas of Writing, Spelling, English, Digital Technologies, Science and Mathematics. Some of the competitions are open to year 2 students this year. All information regarding costs and arrangements are in the attached letter, which needs to be returned with the required money to the office by 27th March. If you have any questions, please contact Mrs Hey.

Student Attendance – NEW GUIDELINES!!

As part of the implementation of the National Standards, holidays taken by students outside of school vacation periods will now be **included as absences**. **A Certificate of Exemption can no longer be granted for this purpose.**

Families are encouraged to holiday or travel during school vacations. If travel during school term is necessary the following considerations apply:

- Leave of **ten (10) or more school days** will require a **formal application for leave in writing**. This letter of request should be addressed to the Principal prior to commencing the leave period indicating the specific reason or purpose for the request of leave.
- If the principal **accepts** the reason for the absence, the absence will be marked as **leave**.
- If the principal does not believe the absence is in the student's best interests and does not accept the reason, the absence is unjustified and will be recorded as **Absent**.
- Partial Absences will be counted in the morning from any time after 8.50am. Any students arriving at school after 8.50am must report to the school office accompanied by an adult to complete the necessary documentation.

From the Office....

Thank you to all parents for your patience during the first week of school. The office desk and phone is often at its busiest at this time of year and so we do appreciate your patience.

Just a few reminders:-

Notes/money for the Office - Each morning teachers will ask the children in their class if they have any notes or money. Teachers will keep any information they require and will send any other notes or money to the office via the class note bag. This system allows the office to receive notes and money without parents being required to actually come into the school. It also helps the children develop responsibility for passing on information.

Change of Details - It is **critical** that the school has up-to-date contact details for all students at all times. Please ensure that any phone, address or contact details that change are relayed to the office as a matter of urgency. It is most distressing for children and staff if we are unable to contact parents in the case of a child being ill or injured.

Uniforms - The uniform shop is open on **Tuesday mornings from 8.15am - 9.30am**. If you need to come in to purchase uniforms, please do so at this time. Otherwise please either phone or email your order through and we will get it ready for easy collection from the office.

Visiting the School - A reminder that during school hours, **ALL** parents, visitors and classroom helpers **MUST** sign in at the front office and collect a Visitors Sticker and then sign out as they leave the school, even if it is at the end of the day.

Late/Early Leavers - If your child is late for school or needs to be collected early, you must attend the office and fill out the Late/Early Leavers Slip. If there is a need to pick up your child early, please **DO NOT CALL THE OFFICE** to ask that your child is ready for when you get here. They will be called only when a parent has arrived to collect them. This is in the interest of minimising work in what is already a very busy office and in reducing the amount of lost learning time for your child.

Photography - Photos of the students are often placed on our website and occasionally in the local newspapers. If for any reason you do not wish for your child to have their photo displayed in this manner, please advise the office in writing.

School Fees - All families should receive their school fees by the end of week 3. Once again the Flexible Payment Plan (FPP) is being offered to parents as an alternative to the current payment term of 30 days. Please see the information below regarding this option. If you have any queries at all about the fees, please do not hesitate to contact Mrs Goldsworthy.

Medication - If your child needs medication at school, new medication forms will need to be completed and given to Mrs Goldsworthy in the office. Please see me if you need to discuss anything, or you need the forms. No medication is to be kept in your child's school bag.

Student's Birthday

As the grades are becoming larger, we ask that if you send a treat in for your child's birthday that you only send enough for his/her class (not the whole grade). Also if you are sending in ice blocks, you will need to drop them at the office at about **1.30pm** as we don't have enough room in our freezer to keep them frozen throughout the morning. Cupcakes can be left at the office in the morning.

Class Numbers are:-

Kindy - 24 each Yr 1 - 28 each Yr 2 - 25 each Yr 3 - 31 each Year 4 - 24 each Yr 5/6 - 29 each

Thank you.

School Fees 2015 – Flexible Payment Plan

The FPP is an alternative to our current payment terms of 30 days and offers families choice to pay their annual fees weekly, fortnightly or monthly over either a six month period from March to August.

Importantly the setup administration of FPP is very streamlined as families will either complete Bpay information directly with their bank online or lodge a direct debit authority with the CEO.

Broadly it works like this:-

- There is no additional administration fee to families accepting the FPP offer
- FPP is offered in Term 1 only of the school year
- FPP offer documentation is included with the Term 1 Invoice/Statement
- Families have until 27th February 2015 to lodge FPP Direct Debit Forms to CEO
- Families have until 5th March 2015 to setup a FPP via BPAY by scheduling the first payment to be received by the 6th March 2015

An example of 2015 FPP payment timeline is as follows:-

FPP Standard Plan	Option 1	Option 2	Option 3
	Weekly	Fortnightly	Monthly
Repayments	25	13	6
First Payment	6/3/15	6/3/15	6/3/15
Last Payment	21/8/14	21/8/14	6/8/14

What will Parents receive in Relation to FPP?

- Term 1 Tax Invoice/Statement (as per usual);
- Direct Debit Request - Parent to complete and insert in self-addressed envelope to the CEO;
- Direct Debit Request Service Agreement (printed on the back of the Direct Debit Request);
- BPAY payment guidelines
- Full fee details for 2015; and
- Frequently Asked Questions (printed on the back of full fee details for 2015);

If you have any queries at all in relation to the above, please do not hesitate to contact Mrs Goldsworthy once you have received your fees.

Our School is a Nut Aware School Community

At Our Lady of the Angels School, we have children who have severe allergies to nuts. While allergic reactions are common and most are not serious, for these children the reaction can be life-threatening. This is called anaphylaxis and can occur in minutes of an exposure to a trigger, in these children's case, nuts.

We see prevention as a major part of providing a safe environment for these children. So as to support our community's effort in this regard, we kindly ask that parents avoid preparing snacks for recess or lunch that include Nutella spread, any peanut butter, nut spreads, snack bars and biscuits that contain nuts. Products having the statement may contain 'traces of nuts' are suitable to bring to school.

We also ask that you **do not** include foods that contain nuts when providing food for special events such as cake days or morning teas.

Important

Today we restarted boys shed and we had 4 new boys join us their names were Sebastian, James, Rory and Jayden . At the moment we are trying to dig a trench so the water drains away when we have heavy rainfall. We are also trying to dig a hole for our pond. We are weeding and after we have weeded we are going to move what seems to be described as buffalo grass. We pulled out more than 40 kilograms of weeds.in 1 hour

PARENT HELPERS???

Have you completed your Child Protection for Volunteers Training??

It has been heartening to see how many of our parents, grandparents, etc, have completed the Child Protection Training in anticipation of helping out at school. Whenever this is done, the school is notified by email and the names added go on a register to which we refer when someone wants to come into the school. The list is growing, thank you.

To avoid disappointment, please make sure you have completed this. The URL is:

<http://childprotection.parra.catholic.edu.au/child-protection-training>

This includes helping at school in areas such as gross motor, lunches, reading groups, etc.

FROM THE CLASSROOM: Year 5/6 Team Building and Leadership Day

On Thursday, Year 5 and 6 participated in a Leadership day. The day was all about getting to know each other and building skills that reflect what good leaders should represent. The day was full of activities where students learnt to trust, listen and respect one another. Some activities required them to work as a team and communicate with one another to solve problems. We ended the day with a pizza lunch.

Bus Service

We have been advised by Hillsbus that there are now services for our school.

The afternoon 3599 service stops outside the school. As the children are now getting bigger, this is a great way to foster some independence, with you meeting them at the bus stop near your home. We are aware that due to the distance some children were not granted bus passes, however if you still wish to use the service you can, your child just needs to pay the fare, which we believe is around 60c-80c.

Literacy Hint

It all starts with reading aloud to your child. You cannot overestimate the importance of this. The more words your child hears from the beginning of their life, the bigger their vocabulary will be — which will pave the way when they learn to read for themselves. Listening comprehension comes before reading comprehension.

Baby News!!

Congratulations to the Manago family (Bryan 5/6W, Antonia 4W and Angelica 2B) on the safe arrival of their twins, a baby boy Robbie and a baby girl Charli.

Until next week, may God bless and keep you safe.
