Week 3 Term 4

28<sup>th</sup> October, 2016

*"Blessed are the pure in heart; they shall see God."*

Dear Parents,

Above is the next line of The Beatitudes, our focus prayer during this Year of Mercy.

When something is pure, it is unmixed, untainted by any other thing. To be pure in heart is to have an undivided love for God, a heart unmixed with any other competing love. We think and say we love God, but often our love for God is conditional, second to other 'earthly pleasures' or conveniences. A typical example is the excuse of not having time for Mass on Sunday because of...x,y,z,etc.

The pure of heart shall see God, who calls us to love Him more than His gifts. The heart is the core of our being and when we have God, and only God, in our heart, we will see God all around us and act accordingly. This aligns with the first commandment – 'I am the Lord, Thy God; Thou shall not have strange gods before Me'. It also aligns with our school community's Formation Goal this year to build an awareness of God all around us.

Please ask your children where they see God, at school and at home. Avoid being reticent to talk to your child about God and share with them where you see God. I am sure you recognise the face of God every time you look into the beautiful face of your child.

### Kindergarten Orientation

On Wednesday morning, we welcomed the 2017 Kinder students and their parents. The students were just delightful. I thank the 2017 Kinder teachers – Mrs Vella, Mr Baker and Ms Crozier – for their work in preparing the day to make these little people feel safe and welcomed. I thank the community for its cooperation by existing the school grounds and car park area as quickly as possible on this morning. I ask the same for next Wednesday morning, to minimise traffic.

Again a big thank you to the P&F in providing morning tea for 2017 Kinder parents. It was lovely to meet so many new people who will be joining our school community next year. Please refer to the P&F News page for morning tea next Wednesday morning.

It is with great delight that I announce Mrs Byrne's appointment as Religious Education Coordinator. Mrs Byrne has been in the acting role in Mrs Callaghan's absence. Mrs Callaghan has recently resigned from the position for personal reasons. I wish Katrina every success. Fr Warren and I are confident she will continue the good work done to date.

Congratulations also to the Kindergarten team who underwent Peer review Process this week. Peer Review is the CEDP system's component of compliance. The results were a resounding success and a credit to that team and a reflection of the dedication and professionalism among the staff at OLA. Well done!

### Gospel: Luke 19:1-10

A reading from the holy Gospel according to Luke

*The Son of Man came to seek and to find that which was lost.*

Jesus entered Jericho and was going through the town when a man whose name was Zacchaeus made his appearance; he was one of the senior tax collectors and a wealthy man. He was anxious to see what kind of man Jesus was, but he was too short and could not see him for the crowd; so he ran ahead and climbed a sycamore tree to catch a glimpse of Jesus who was to pass that way. When Jesus reached the spot he looked up and spoke to him: 'Zacchaeus, come down. Hurry, because I must stay at your house today.' And he hurried down and welcomed him joyfully. They all complained when they saw what was happening. 'He has gone to stay at a sinner's house' they said. But Zacchaeus stood his ground and said to the Lord, 'Look, sir, I am going to give half my property to the poor, and if I have cheated anybody I will pay him back four times the amount.' And Jesus said to him, 'Today salvation has come to this house, because this man too is a son of Abraham; for the Son of Man has come to seek out and save what was lost.'

### Gospel Reflection

Zacchaeus probably didn't like crowds. He was short and needed to climb a tree in order to see Jesus better.

Do you like crowds? Why or why not?

What are some other reasons why some people might not like crowds?

What are some reasons why some people might like crowds?

Zacchaeus seemed to know that he had been dishonest as a tax collector, yet he told the crowd right away that he was giving half of his money to the poor, and paying back four times as much money to anyone he had cheated. This was quite a generous offer.

Have you ever wronged anyone and then had to figure out a way to make it up to that person? What did you do? How did it work out? Did a lot of people know about it? What was their reaction?

Did anyone ever wrong you and then try to make it up to you? Were you forgiving or not?

Why? Are you friends with this person now? Why or why not? (© Lisa-Marie Calderone-Stewart - St Mary's Press. 28-10-2016)

### **OPERATION CHRISTMAS CHILD**

Operation Christmas child is all about giving children from poverty or war stricken countries the precious gift of God's unconditional love. We are asking families at OLA to collect a shoebox from the office and fill it with something to wear, something to play with something for school, something to love, something special and something for personal hygiene. The shoebox you pack with your family will very likely be the first gift the child has ever received.

**All shoe boxes need to be returned by 4<sup>th</sup> November 2016 to the office. If you are paying for the postage of your shoebox can you please tape envelope to the top of the box.**

### **Swim Program – K – Yr 4**

Last week a google doc survey was sent home to each family in Kindy to Year 4. If you have not completed the survey, could you please do so immediately, as we need to forward this information to the swim centre early next week.

Thank You. Mrs Byrne

## Literacy News

### Vocabulary building tips

Be sure to ask rhetorical questions during the story in order to introduce new words and concepts. If your child says, "The island was really hot," you could ask, "Was it a tropical island?" Make a point to use new words in regular conversations thereafter. Forcing them to articulate their ideas will have them reaching for new words, and you can also help them along with suggestions.

### Reading is Cool! Reminder!

As part of our drive to raise the image of 'reading is cool', particularly among boys, we are seeking pictures of dads, or any males, reading a book.

This means one picture of dad/grandpa/friend/ etc reading a picture book. If possible, a really good idea is a shot of the person in work dress - ie a policeman in uniform reading.

### Reading Afternoon

Families are invited to enjoy an afternoon of reading with their child on **Thursday 3<sup>rd</sup> November at 2:30pm**. This will be the final 'Rug Reading' afternoon for the year.

## Year 5 Excursion to Taronga Zoo

On 19th of October, year 5 went on an excursion to Taronga Zoo for our Science unit. When we arrived at the zoo a tour guide came and gave us a lesson on ANIMAL ADAPTATIONS. We learnt how animals use their abilities to protect themselves from predators and to hide from their prey. Then we went behind the hospital to see a turtle who had lost a flipper and was in a rescue tank strengthening it up to be released back into the wild. After that we were allowed to enter the main part of the zoo. First we saw all the African animals, the zebras were the most fascinating. I learned that like finger prints, no zebra pattern is the same. When we saw all the reptiles they were really well camouflaged. I thought some of the enclosures were empty but you just had to look for them really hard. I really enjoyed seeing the giraffes, they had a statue of the world's tallest baby giraffe. I got to stand next to it- I felt so short! When we saw the monkeys their adaptation was their long tail to swing from tree to tree. I also enjoyed seeing the gorillas because they were so much like us in the way they moved, ate maybe not talked, but they were cool. We took lots of photos and had a good time we learned so much for our excursion. Then on the way back I was so tired I fell asleep.
