Week 4 Term 2

23rd May, 2014

Dear Parents,

Today was **Walk to School Day**. What a wonderful sight it was to see so many families walking together and talking. Something that was the norm some years back has been given away through *busyness*. So many menial tasks – washing clothes and hanging, washing and drying dishes to name a few – were the forum for family conversations. Despite the arrival of many labour saving devices, somehow all the ‘extra time’ hasn’t always been put to

family time.

Pope Francis, who is particularly interested in the role of the family, has called an Extraordinary General Assembly of the Synod of Bishops on the theme “The Pastoral Challenges of the Family in the Context of Evangelization”. The synod, will take place at the Vatican 5-19 October, 2014

In an address during World Youth Day in Brazil,

On Saturday, July 27, [Interview on Radio Cathedral](#) (radio broadcasting station of the Archdiocese of Rio de Janeiro, Pope Francis said, “*Not only would I say that the family is important for the evangelization of the new world. The family is important, and it is necessary for the survival of humanity. Without the family, the cultural survival of the human race would be at risk. The family, whether we like it or not, is the foundation.*”

Francis has written a letter asking for prayers’ for the success of the Synod. In his letter, he writes:

‘I am writing this letter to you on the Feast of the Presentation of the Lord in the Temple. The evangelist Luke tells us that the Blessed Mother and Saint Joseph, in keeping with the Law of Moses, took the Baby Jesus to the temple to offer him to the Lord, and that an elderly man and woman, Simeon and Anna, moved by the Holy Spirit, went to meet them and acknowledged Jesus as the Messiah (cf. Lk 2:22-38). Simeon took him in his arms and thanked God that he had finally “seen” salvation. Anna, despite her advanced age, found new vigour and began to speak to everyone about the Baby. It is a beautiful image: two young parents and two elderly people, brought together by Jesus. He is the one who brings together and unites generations! He is the inexhaustible font of that love which overcomes every occasion of self-absorption, solitude, and sadness. In your journey as a family, you share so many beautiful moments: meals, rest, housework, leisure, prayer, trips and pilgrimages, and times of mutual support...

Nevertheless, if there is no love then there is no joy, and authentic love comes to us from Jesus. He offers us his word, which illuminates our path; he gives us the Bread of life which sustains us on our journey’

This weekend, let’s all find some extra time to do the simple things with our family.

“It is in giving that we receive;”

This Monday, 26th May, is **Pyjama Day**. This is the day all DWF envelopes, containing your donation, are to be returned to school. **PLEASE** ensure that your name and donation amount is clearly written on the front of the envelope. Please note the example left...

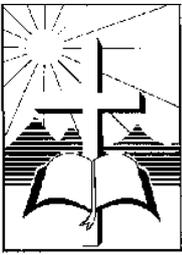

The school has been instructed to check all monies received and provide a tax receipt for all contributions \$2 and over. Your assistance in this way would be Thank you, in advance, for your donation and cooperation.

Sixth Sunday of Easter, Year A

A reading from the holy Gospel according to John 14:15-21

Jesus said to his disciples: 'If you love me you will keep my commandments. I shall ask the Father, and he will give you another Advocate to be with you for ever, that Spirit of truth whom the world can never receive since it neither sees nor knows him; but you know him, because he is with you, he is in you. I will not leave you orphans; I will come back to you. In a short time the world will no longer see me; but you will see me, because I live and you will live.

On that day you will understand that I am in my Father and you in me and I in you. Anybody who receives my commandments and keeps them will be one who loves me; and anybody who loves me will be loved by my Father, and I shall love him and show myself to him.'

In the Gospel this Sunday Jesus offers encouragement to his disciples, who will soon see him crucified. He reassures them that even though he will leave them, he will not abandon them. Instead he will send them the Holy Spirit, through whom the disciples will continue to live in union with Jesus. He explains that the gift of the Holy Spirit is permanent and the he will return to the Father, but the Holy Spirit will remain with the disciples forever. The mystery of the Trinity can be difficult for us to grasp. Today's Gospel invites us to consider how the three persons—Father, Son, and Holy Spirit. They work together so that God's salvation is made known to us. Jesus' mission is continued through the activity of the Holy Spirit in the lives of his disciples. We have received this same Spirit through our Baptisms. The Spirit, living and working within us, reveals the mystery of God's love for us. (Sourced and modified from: <http://www.loyolapress.com/sunday-connection.htm>)

As a family...

Read through the Gospel for this Sunday and discuss the Holy Spirit. Allow each member of the family to share what they know. What does Jesus say the Holy Spirit will do for the disciples? Through the gift of the Holy Spirit, we come to share in the love of God made known to us in Jesus. Together, pray this prayer, thanking God for the gift of the Holy Spirit:

Come, Holy Spirit, fill the hearts of your faithful.
And kindle in them the fire of your love.
Send forth your Spirit and they shall be created.
And you will renew the face of the earth.

Lord,
by the light of the Holy Spirit
you have taught the hearts of your faithful.
In the same Spirit
help us to relish what is right
and always rejoice in your consolation.
We ask this through Christ our Lord.
Amen.

Celebration of the Sacrament of

There are still 2 more weeks where students from our school will be completing their First Holy Communion at 12 p.m. each Sunday (25th May and 1st June). In place of a School/Parish Mass this term, we are encouraging all students to attend one of these First Holy Communion Masses. This is a great way to show support for these students as part of our role as members of this faith community. Staff from the school will be attending each of these Masses as a way of showing our support. We hope you can make it to one of these last two special celebrations in our community.

Family Sacred Space.

In the office foyer, we have a display cabinet of which two shelves are devoted to prayer. This is an invitation to OLA families to 'sponsor' this sacred space. This means that each week, one school family is responsible for decorating this space with some small items of their choice and relevant to them. There is one small shelf and nothing elaborate is expected. This is an initiative to bring community prayer to the fore in our school and to make it more personal and meaningful. I or someone else at school will be happy to assist you if needed. If you are interested in participating, we look forward to receiving an email from you to ola@parra.catholic.edu.au with *Family Prayer Space* in the subject line. Thank you to the **Sweeney** Family who sponsored our Family Prayer Space this week. Next week the sponsor family will be the **Mander** Family.

Japanese Students –

THANK YOU TO THE FAMILIES WHO HAVE ALREADY RESPONDED. WE STILL NEED THREE FAMILIES TO HOST STUDENTS. IF YOU HAVE A SPACE TO HOST TWO STUDENTS, DO NOT MISS THIS VALUABLE OPPORTUNITY FOR THIS RICH EXPERIENCE FOR YOUR FAMILY.

As part of the Asian Studies Program, OLA has been fortunate to secure a grant to support the teaching of Japanese language and culture since the beginning. Last year this program was supported and enriched with the hosting of Japanese students. These students, aged 10-12 years old, were billeted by OLA families and spent the days at school. This was so successful last year that the school has again requested to visit and there are many more students excited to spend time at OLA, and an Australian school. There are 31 children in total with 23 girls and 8 boys to be hosted in twos with one group of three girls. The details are:

Dates: 23 July (Wed) until 29 July (Tue) for 6 nights

Host families will be paid \$40 per night per child and will provide 3 meals a day and return transfer to/from school.

The guests will spend the day in class with their host 'brother/sister'. The weekend is spent with the host family. However, on the Sunday, the guests are to be dropped at OLA school where they will travel with their group to their church in Marsfield. They will need to be collected at 4pm from OLA school.

These students are from Nanzan Christian School located in Nagoya, Japan. They are very well behaved students from good families. If you think you have the room to host, please send an email to the school office ola@parra.catholic.edu.au (NOT hgoldsworthy) with 'Japanese' in the subject line and your child's name and grade in the body of the email. First come first served. Thank you.

We hosted Japanese students last year and it was a fabulous experience for the whole family. We still keep in touch and are planning to visit them in Japan as soon as we can! I'll be having them again this year!

Kids' Shed.

Following up on our report last week on the Kids' Shed, the students on 'the case' have been hard at work on the garden project. Here is an update by Ashton S. and Bailey C...

We have started our garden by digging out the patch of grass and we have been transferring it onto the dirt patches on the oval. We have started to water the transplanted grass on the oval and can we please ask everyone to stay off that grass and also where we are building the bush garden.

We need some timber for the perimeter of the garden and some small plants as well as some bark to go on top. If anyone can help us with this, we would love to hear from you. Could you please contact Mrs Schroder if you are able to help us. Thank you.

Year 4 iLearn Update

What fun we have been having in Year 4 as we continue our journey of using our iPads in the classroom as a learning tool. The students have loved creating iMovie trailers about experiences they have shared with their peers such as a reflection on Athletics, a learning journey as a group designed a veggie garden and the amazing time some students shared at the recent Zone Cross Country just to share a few.

The students have collaboratively worked on a shared document to create a story for David Wiesner's picture book Tuesday. This picture book has only a small handful of words to set the scene. Students shared a Google doc and worked cooperatively to create words for the story. Below are a few examples of the work we created.

We have used our iPads as assessment tools to show our understanding in Religion and Health. Some of the things we have shown is our understanding of the scripture passages Jesus heals a man born blind and the Journey to Emmaus. Also we have created safety presentations on how to stay safe on the road and as a pedestrian.

Our teachers always want feedback about things that happen in Year 4. The way we have shared our thought about tasks and how we can help improve our learning is through forms with specific questions, surveys, using the six thinking hats and a learning journey through a series of questions daily over the period of a task.

Here are some of our thoughts about having iPads in Year 4.

Tuesday- By Madison, Alexandra and Elouise

On Tuesday on a dark, peaceful night around eight pm it was very calm and still and everything was perfect until the lily pads started floating in the air carrying the Frogs on them. All floating frogs start to scare little birds while they were roosting. The Frogs suddenly started to fly towards houses to terrorise people. At 11:21 PM a man was having a midnight snack suddenly he saw FLYING FROGS!!!!!!!!!!!!!!

The frogs weren't looking where they were going and went into a clothesline full of clothes. Frogs were bursting inside the windows and in the chimney in someone's house. They actually flew into a old woman's house while the old woman was sleeping and left the TV on. The frogs watched the TV and laughed like humans.

At 4:38 am in the morning flying frogs disturbed a dog and the dog chased them until lots of frogs came heading towards the dogs and scared the dog. All the frog's lily pads start to drop and the frogs jumped back to their cool ponds. Most of the frogs were bored and angry because they wanted to fly again.

In the morning on Wednesday police officers were confused and wondered why there were lily pads on the floor.

Next Tuesday will have an even more unusual animal flying and that animal is PIGS!!!!!!!!!!!!!!

Tuesday - By Kaitlin and Chelsea

It was around eight there were frogs on Lily pads until they magically they launched into midnight air. The frogs were first confused but after about five to ten minutes they thought they were famous because they were randomly floating in the night sky. Later that night, they passed a house and knocked on the window and the name named Fred thought he saw something strange in his window as he poured himself a glass of milk and while he was enjoying his midnight snack. Then they went through the drying clothes because they were not looking where they were going so they flew with white sheets over their heads to an old lady's house.

Before they entered the lady's house, there was a brown dog named Fudge. He loved to chase things so he decided to chase those silly frogs then the frogs thought they were even more famous. At that moment, the frogs thought they would chase the dog Fudge so the dog began to retreat. Then they went to the next house some frogs entered by the window and some by the chimney.

When they got in the house there was an old lady that had fallen asleep while knitting her grandson's blanket. The frogs saw a remote and pressed a few buttons then the TV switched on the movie cheer was on and it was funny part so the frogs giggled like they had just been tickled. The old women started to wake so the frogs switched the TV off so then the lady fell back asleep.

Then they went out of the house and rushed to the pond because they could see the daylight rising. When they were back at the pond there was Fred with the police and detectives looking at the bright green lily pads with the dogs sniffing looking for clues.

The following Tuesday, there were bright pink pigs flying like the frogs were.

To be continued...

- ✓ How to discipline without arguing, yelling or smacking
- ✓ How to sort behaviour
- ✓ How to handle challenging and testing behaviours
- ✓ Choosing your strategy, the three choices
- ✓ Using emotion coaching to encourage good behaviour
- ✓ 7 tactics for encouraging good behaviour

Parents will receive:

- A 1-2-3 Magic & Emotion Coaching Parent Workbook

Registration Fees:

The course is provided free of charge by Catholic Education Diocese of Parramatta
 Register for this course contacting your School Office or speaking to your child's Principal.

What people are saying...

What a relief to come across a program that prizes the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realized quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later down the line, needs excessive discipline or grows out of control!

Who is running it?

The presenter for this course is [presenter's name] who completed Parents' 1-2-3 Magic® & Emotion Coaching practitioner training on [date trained].
 [Describe your relevant experience]

For more information contact Anoushka Houseman at AHouseman@perre.catholic.edu.au

- An end to the arguing and yelling!
- It saved our lives
- Simple, sane, effective

Walk to School Day

Kiss and Drop was very quiet today due to our special event. A big thank you to all those who participated in walk to school. It was a successful event, due to the amount of families who took part. It was especially great to see that some families had created a meeting point, so that their children could walk together and learn about road safety. Others also had downloaded the app and timed how long it takes to get to school, which was a great discussion point. We hope that this day will encourage you to do it more often. Miss Pepin

Premier's Reading Challenge

Please remember to enter your PRC books on the Premier's Reading Challenge website regularly.

Social Skills

The new social skill for this fortnight is 'Joining in'. Role-play with your child how to join in on an established game or group. Encourage them to choose a good time and to ask in a friendly way if they can join in. Also go through how your child could respond if someone asks to join in their game. Encourage your child to be inclusive and kind to all peers.

Netball-We are currently sorting out the Netball teams for the Gala Day held in late July, Term 3. We have quite a number of teams this year and will need help to coach and manage the teams. We may also need some volunteer umpires to supplement the umpires I am sent from Marian College. If you are able to assist with any of the above, please email the school office.

Soccer Gala Days

Over the next couple of weeks, Stage 3 and Stage 2 students will be representing OLA in a Gala Day. We had lots of students sign up to trial for these days. In order to be fair, we take Year 6 and Year 4 students first and then fill the rest of the team with Year 3 or Year 5 students. Year 3 and Year 5 students will have another opportunity to trial for the same Gala Day the following year. Gala day teams are selected not only on skill, but on teamwork and sportsmanship. Gala Days give all students the opportunity to experience team sports and differ from a weekly competition, where a team is selected to represent the school. I thank the teachers who have given up their time to trial, coach and be team managers on the day.

Creative Arts Expo

We will be having a costume meeting next Friday at 9am. If your child is in the performance and you are interested in assisting with costumes or just want to see how the expo is progressing feel free to come along.

DWF Appeal during May

Faith at Work is the theme of the Diocesan Works Fund (DWF) Appeal being held in parishes and Catholic schools during the month of May. This appeal gives us the opportunity to act together as a diocesan family to support ministries and services that no single individual or parish can offer. For example, it supports catechists who teach the faith in state schools, seminarians who are preparing for the priesthood, young adults working in youth ministry, and the All Saints of Africa Centre in Blacktown for recent refugees and migrants. Visit the website to watch a video message from Bishop Anthony and to find out more about how you can make a difference: www.faithatwork.org.au

Pyjama Day – Monday 26th May

Each family will have received an envelope for the Diocesan Works Fund and on Monday 26th May we will be having a day where the children can wear their pyjamas to school and **return their envelope with the donation towards the Diocesan Works Fund. Please ensure your family name is on the envelope.** Please ensure that your child is warm and has appropriate closed in footwear.

Mathletics Update:

It has been great to go through and see so many students using Mathletics. If your child has not used it yet, please encourage them to have a go. Teachers have set tasks according to the content being covered in Maths for that week. A special Mathletics award will be awarded to one student who throughout the week has used Mathletics. This award maybe handed out for the highest achievement in the week, most improved or earned the highest results in Live Mathletics for the week. This trophy will remain at school and will be displayed in that child's classroom for the week.

If your child has access to an iPad there is a Mathletics app which can be downloaded. It is free. However, there are some activities and features that are not available on the iPad and will require students to access these on a computer.

If your child has lost their Mathletics log in details please see the classroom teacher who will be able to provide you with these details. If you experience any technical issues while using Mathletics at home you may wish to contact customer service on 1300 850 331.
