Week 5 Term 3

18th August, 2017

"There where you are, God is". St Mary of the Cross MacKillop

Dear Parents

Feast of The Assumption

On Tuesday 15th August, our school community attended the Parish Mass to celebrate the Feast of the Assumption. Fr Warren alerted us to the stain glassed window in the church which depicts Mary being carried up to Heaven by Angels, body and soul, at the end of her earthly life. A beautiful pictorial image which reflects on the importance and role of our Blessed Mother Mary in our Catholic Faith. On this Feast day, we are reminded that our Mother Mary, who was free from sin, said 'YES' to be the Mother of Jesus. She was "blessed among woman" and lived her life as a faithful servant of God. She shared closely in the birth, life, death and resurrection of our Lord.

At Midday, each school day, our students pray the *Angelus*. Let us reflect on the words of this prayer:

V. The Angel of the Lord declared unto Mary,
R. And she conceived of the Holy Spirit.

Hail Mary, etc...

V. Behold the handmaid of the Lord.
R. Be it done unto me according to Your Word.

Hail Mary, etc...

V. And the Word was made flesh,
R. And dwelt among us.

Hail Mary, etc...

V. Pray for us, O holy Mother of God.
R. That we may be made worthy of the promises of Christ.

Let us pray:

Pour forth, we beseech You, O Lord,
Your Grace into our hearts;
that as we have known the incarnation of Christ,
your Son by the message of an angel,
so by His passion and cross
we may be brought to the glory of His Resurrection.
Through the same Christ, our Lord.
Amen.

Term 3 Week 6: Gospel Reflection Sunday 20th August 2017 (Mt 15:21-28)

A reading from the holy Gospel according to Matthew

Woman, you have great faith.

Jesus left Gennesaret and withdrew to the region of Tyre and Sidon. Then out came a Canaanite woman from that district and started shouting, 'Sir, Son of David, take pity on me. My daughter is tormented by a devil.' But he answered her not a word. And his disciples went and pleaded with him. 'Give her what she wants,' they said 'because she is shouting after us.' He said in reply, 'I was sent only to the lost sheep of the House of Israel.' But the woman had come up and was kneeling at his feet. 'Lord,' she said 'help me.' He replied, 'It is not fair to take the children's food and throw it to the house-dogs.' She retorted, 'Ah yes, sir; but even house-dogs can eat the scraps that fall from their master's table.' Then Jesus answered her, 'Woman, you have great faith. Let your wish be granted.' And from that moment her daughter was well again.

Reflection

A *pagan woman* approaches a *Jewish man* and she begs Jesus to heal her daughter. Jesus gives a dismissive answer to the woman: 'It is not fair to take the children's bread and throw it to the house dogs.' The children are obviously the Jewish people. This remarkable *pagan woman* stands her ground and engages in a verbal joust with Jesus! She argues: 'Yes, Lord, but even the house dogs get the crumbs that fall from their master's table.' Jesus recognises *her* faith and the daughter was healed. This story was put in the Gospels to show how Jesus extended his saving mission to non-Jews in Pagan territory. That is Good News for billions of non-Jewish people over the course of history since then and into the future. That is why we are truly 'Catholic', which, as you know, is the Greek for 'world-wide'. We could pause for a moment to celebrate this Canaanite woman as the first 'Catholic'!

Mrs Byrne's Holy Land Pilgrimage Reflection

Each week I will share images and reflections of my Holy Land Pilgrimage. The first place we visited was Mt Nebo in Jordan. Mt Nebo is about 817 metres above sea level and it was the place where Moses was shown the Promise Land. Our group celebrated Mass in a little church on the top of Mt Nebo. Here we listened to the Gospel according to Matthew 18:15-20. We were asked to listen with our eyes, meaning the eyes of our mind. Just like Moses listened to God as he looked out over the Promise Land. We were asked to reflect how we will listen with our eyes to the needs around us and what words and actions could help those in need?

NAPLAN Online School Readiness 2017

Last week, Year 3 and Year 5 parents received information regarding NAPLAN online. This means that in 2018, children who sit the NAPLAN tests will no longer have paper-based tests, instead moving to computer-based assessments. CEDP are undertaking significant planning, development, research and trialing to ensure the smooth transition to online testing.

All NSW schools will participate in a school readiness test between 14th August and 22nd September. The readiness test is a 'practice run' for schools to participate in a trial NAPLAN Online.

The readiness test will allow schools to:

- Become familiar with the NAPLAN online test format and process.
- Ensure that schools have the technical capacity, rooms and devices to administer NAPLAN online.
- Provide students in NAPLAN years 3, 5, 7 and 9 with the opportunity to experience the online test question types and format.

At Our Lady Of The Angels. Years 3 and 5 will participate in the school readiness test in the week of 11-15 September.

- Year 3 students will undertake online assessments for numeracy, reading, and language conventions. This is all included in the one assessment.
- Year 5 students will undertake all NAPLAN areas including writing online.

It is important to note that the school will NOT receive any student data from the online trial. This is a school readiness assessment for us to ensure that we are ready to administer the test in the future.

For further information please see <http://www.nap.edu.au/online-assessment>

2017 NAPLAN results – Students in Years 3 and 5 will have brought home their NAPLAN results this week. Please make an appointment with your child's teacher should you wish to discuss any aspect the NAPLAN report.

Reminder: Under no circumstances are parents to approach any student directly to resolve issues or concerns arising from school matters. It is important that these matters are dealt with through the appropriate channels at school, via classroom teachers and school leadership. I thank you for your cooperation on this matter!

Afternoon Pickup

A reminder that students being picked up after school must wait in the 'parent pick up area' and parents need to drive through the car park or park in one of the adjacent streets, or at the ovals across the road, and collect your children from there. Recently, children have been waiting outside the front of the school near the bus stop and getting picked up there. **THIS IS A NO STOPPING AREA** and the rangers will be booking anyone that stops there to collect their child.

This only adds to the afternoon congestion and compromises the safety of all children. Please help us in ensuring the safety of your children. A copy of the new council fines is attached.

Mindfulness is paying attention without being "caught up" in your thoughts. How do you feel now? How often do you stop and notice your thoughts? What do you do when you feel cluttered by deadlines and the business of life?

IMPORTANT

School Leave of Five Days or More

It is very important if you are going to take your child/ren out of school for five days or more that the Application for Exemption Form is completed. We will then issue you with a signed Certificate.

This is a government requirement.

We have had several cases recently, particularly through the government census period, where this has not been done and therefore, we do not have the necessary paperwork for when we are audited. The Application for Exemption form can be found on our website.

Thursday Cooking Club

In term 3, year 6 students have had the opportunity to participate in cooking club every Thursday at lunch. The students have been very enthusiastic, and enjoyed baking cookies and eating them with milkshakes.

From the Classroom of....5W

This term in Visual Arts, Year 5 has been exploring outdoor landscapes. This week, we recreated images we brought from home using chalk pastels. We used many different techniques to develop different textures in our artworks and replicate different subject matters. In this photo, we have Marcus, Zac, Gavin, Brianna and Taleah holding their creations, the likeness to their original image is amazing!

Diocesan Hills Zone Athletics Carnival

*Students from Years 3 to 6 represented Our Lady of the Angels at the Diocesan Hills Zone Athletics Carnival yesterday. The students showed great sportsmanship and comaraderie. We wish the students who made it to the next round (Friday 25th August) the best of luck!
Congratulations.*

Debating

Over the last two weeks we have travelled to Our Lady of the Rosary, Kellyville to debate the topic “Celebrities are good role models”, and hosted a debate here against Mary Immaculate, Quakers Hill on the topic “The internet is more harmful than useful”.

When we were the negative team, and had the task of convincing the audience that “Role models are someone you can trust, good examples are a must!” We had some very strong and convincing arguments about the impact that the bad behaviour of celebrities has on their fans. The fact that what is shown on social media is not the real world, which gives young impressionable fans the wrong idea about the way life should be lived. The girls also argued that celebrities are there to entertain or do their job in the public eye, they are not there to offer us advice on topics that they are not experts on. All of the girls worked together as a team, and were so convincing in their arguments, that they won the debate this week.

Congratulations to Ava Grace Bennett, Jasmyn Robertson, Melissa Preston, Bella Masters and Jade Richardson for all of their hard work preparing for the debate!

When we were the affirmative team, and had the task of convincing the audience that “There should be a restriction to stop this addiction!” We had some very good arguments and examples about online predators, viruses that are spread by computer hackers, the dangers associated with online gaming etc. The girls also built on their personal experiences with Officer Bollard who came to speak to us earlier this year about cyber-safety.

Again the girls worked together as a team, and this time we came away with a draw.

Congratulations to Paige Hayden, Alannah Lock, Mikayla Muscat and Sascha Strykowski for all of their hard work preparing for the debate!

Our debating star of the week for week 4 is Melissa Preston. She stepped in at the last minute to finish writing a speech and took on the task of debating with the girls. Melissa is not only a great speech writer, but she is a good public speaker. She is animated and entertaining, and was able to use strong persuasive language and humour to convince the adjudicator to agree with us that celebrities are not good role models. Well done Melissa, and thank you for helping out when we needed you - keep up the excellent work!

In week 5 we had a debating GROUP of the week. The girls who debated did a lot of the work on their own. With two debates so close together, they worked hard to ensure that they were ready for the debate. They had very convincing arguments and their speeches worked really well together. I am proud of the work that they have done and of the way they debated this week. Well done girls!
