"Celebrating 10 years of Education"

Dear Parents,

OLA Day

This morning our wonderful community gathered for Mass to celebrate OLA day. Whenever our school community gathers to celebrate the Eucharist together, I am reminded about how beautiful, respectful and reverent our students are when they are in church. I am also thankful that we have the opportunity to gather as a school community in such a beautiful church. On Sunday, the parish is holding the annual Fiesta in celebration of this special feast. Although the school is not directly responsible for the organisation, I am confident that everyone will support this event whichever way they can and in the good spirit in which it is intended, as it has for the past 10 years, knowing that the money raised goes toward reducing the debt incurred with the building of OUR church, making celebrations, such as today's, possible. We have a wonderful community, generous in spirit and self – blessed.

Japanese Students

A huge thank you to the families who hosted our Japanese students from Nanzan Primary Catholic School of Showa District, Nagoya City. I have heard many positive stories about the wonderful experiences that were shared between the Japanese students and the host families. Last Friday afternoon the Japanese students led our school community in a Japanese cultural experience of song and dance, before the official signing of the 'sister school Partnership Agreement'. As sister schools, both schools agreed to exchange annual student letters, participate in biennial student visits from Nanzan and both schools committed to ensure a successful and friendly relationship.

God Bless
Mr Steve Cauchi
Acting Principal

Grandparents' Day

Last Friday we celebrated as a community the wonderful gift of our Grandparents. We commenced with a Mass, followed by open classrooms in which the children showcased some of their work and we finished with a picnic lunch. It was wonderful to see so many Grandparents join us and take the opportunity to walk through our beautiful learning spaces. Joachim and Anne were the father and mother of Mary, and the grandparents of Jesus. We look to that 'Holy Family' as inspiration and an example of the love grandparents show their grandchildren.

*Grandparents and grandchildren,
Together they create a chain of love
Linking the past,
With the future.
The chain may lengthen,
But it will never part.*

God speaks to us in many ways, including through the Sunday Scripture readings. We hear The Word, and are given messages to help us show the face of God.

Sunday 4th August: Parable of the rich man with a good harvest. (Lk 12:13-21)

One of the themes running through the gospels is that wealth can be an obstacle to entering fully into relationship with God. Wealth is not problematic but rather the value we put on material riches above all else. We have the story of the rich young man who asks Jesus what he must do to inherit the kingdom and Jesus tells him to sell everything he has and give away the proceeds. The young man goes away sad because he thought that with his great accumulation of wealth he'd be able to buy anything that he needed to gain the kingdom. Money can make life a little easier to manage at times, but a famous proverb proclaims that 'money can't buy happiness'.

Sunday, 11th August: Nineteenth Sunday of Ordinary Time-Year C (Lk 12:32-48)

Sunday's Gospel calls us to be ready and watchful, 'for the Son of Man is coming at an unexpected hour'. While we live in the expectation of the coming of God in the future, we also live now in the presence of God. This means that God is present with us now, as a companion in our lives. It also means that this presence is the context within which our lives unfold. However, until all things are brought to fulfilment, we live in this presence by faith. Faith and hope are intimately joined. We, as believers, are called to keep the faith and trust in the promises of God. Faith is both the cost of living as a disciple and the reward.

Our Lady of the Angels Feast Day

Today we celebrated Our Lady of the Angels Feast Day with a whole school mass. It was a wonderful chance to celebrate our Blessed Lady of Angels, Mary and to mark our 10th Anniversary.

On Sunday we invite you to celebrate this wonderful feast day with Mass and a Fiesta. Mass will begin at 11am, followed by a procession. The children in Year 3 who have recently received their First Holy Communion are invited to wear their Communion dresses and suits to be a part of the procession. We look forward to celebrating this special day with you all.

From the classroom ... Year 3

This week Year 3 has been working on Position in Maths. We have been creating simple maps using coordinates and compass points. During our mapping activities we have created different maps to give directions to a certain point. We have also had fun working with the BeeBots by programming directions for the BeeBot to follow on a map.

Stage 2 Soccer Gala Day 2019

On Tuesday the 30th July, three representative teams from OLA attended the Parramatta Diocesan Stage 2 Soccer Gala Day. The day was held at Jamison Park, Penrith, and was the largest Gala Day on record for the Parramatta Diocese, with approximately 5000 people in attendance.

It was an early (and cold) start but we were all super excited for kick off. Each team played 7 games over the space of the day with all students displaying great enthusiasm and sportsmanship. There were some close calls and some nail-biting games, and to say that we were proud of your efforts would be an understatement!

Overall, it was a fun-filled day that I'm sure will be remembered by all. A special mention to Mr Attard, Mrs Holden and Mr Mihalic who took time out of their busy schedules to come and help coach the teams on the day and to all the parents who came along to support what was a highly enjoyable day. Thank you for your participation and zest!

Afternoon Dismissal Procedure

In the afternoon our students are taken to two locations for dismissal.

Kinder students are collected from the Kinder COLA between 3pm and 3.10pm.

- Students who are collected through 'Kiss and ride' are taken to the Kinder COLA and library verandah.
- All students in years 1 - 6, who are collected by parents on site or who walk or catch the bus home, are taken to the 'Undercover' basketball court.

It would assist us if parents wait in the relevant area for your child. We are trying to minimise congestion around classrooms.

Only kinder parents should drive into the 'drive through' prior to 3pm. If you are collecting students in years 1 to 6, it might be more convenient to queue up down Wellgate Ave alongside the netball courts. This way you can turn left into the school grounds after 3.05pm.

We have had issues with trades people and parish visitors being unable to enter the grounds as the driveway is blocked with cars queuing for pick up. If you are entering to park your car, you are then able to do so.

Your understanding is appreciated.

A huge thank you goes out to all of the teachers and parents who spent their time training, coaching and managing the students. It could not have been a successful day without you!

RESPECT FOR SELF, OTHERS, ENVIRONMENT

Our focus for the next two weeks is *being in the right place at the right time*.

For safety reasons, there are areas of the school students are not allowed without teacher supervision. These areas are :-

- behind the year 3 / 4 classrooms
- behind the staff study near the vegetable garden
- playgyms and sandpit before school
- OLA Street before school - other than to place bag down
- For boys – walk through area between office and library during breaks
- Pathway alongside admin building during breaks

Over the next two weeks we will be reteaching these boundaries to the classes.

Your support in collecting students from the designated area after school is appreciated.

Focus	Respect for Self.	Respect for Others.	Respect for the Environment.
