Week 2 Term 2

10th May, 2019

"Celebrating 10 years of Education"

Dear Parents,

This is the first newsletter for Term 2. This term we welcome six new families to our school community and trust that your children have settled in well.

Last week's Gospel was about the time Jesus appeared to the disciples by the shores of Lake Galilee. They had been fishing all night but caught nothing. The 'stranger' on the shore asked them, as you do ask a fisherman, if they'd caught anything. At their negative response, the man suggested they try the other side of the boat. (I am always intrigued by their response which was to do as he suggested. Anyone knows that an 'expert fisherman' doesn't appreciate being told how to fish 😊) However, they tried and the result was a load of fish such that it broke the nets. It was only then, following this extraordinary event, that John recognized the 'stranger' as Jesus.

Jesus is always present in our lives – sometimes we readily recognize Him, often we do not try hard enough. How often is Jesus present in the day to day? Every moment. How often do we say, "It is the Lord!"?

Mothers' Day

This morning, we gathered at Mass to celebrate our mothers. Thank you to everyone who helped contributed towards this event – Father John, Mrs Byrne (REC) Mrs Cheadle and the choir, Year 5 students and teachers for their reflection, all readers and servers and to all the students and family members who attended. A special 'thank you to the P&F once again for organising an amazing morning tea for the mums and the stall earlier in the week. This is a special time just for mums, who do so much for us, to be spoilt. We wish you a lovely Happy Mothers' Day this Sunday. 😊

Wednesday (May 15th) in Week 3, is **International Day of Families**. This is a special day we celebrate the importance of families - the foundation of our society.

You are invited to join your children on the playground at 1.20pm for a BYO picnic lunch, and the SRC will host games. We are asking for a gold coin donation which will be a contribution to Catholic Care supporting the needy and marginalised in our diocese and to the *Adopt a Farmer* Initiative.

After play break, all students and families are asked to join in a special prayer service - the Rosary - for families everywhere - commencing at approximately 2.20pm.

Gospel Reflection

God speaks to us in many ways, including through the Sunday Scripture readings. We hear The Word and are given messages to help us show the face of God.

Sunday 12th May Gospel reflection (John 10:27-30)

A reading from the holy Gospel according to John
I give my sheep eternal life.

Jesus said:

'The sheep that belong to me listen to my voice;

I know them and they follow me.

I give them eternal life; they will never be lost and no one will ever steal them from me.

The Father who gave them to me is greater than anyone, and no one can steal from the Father. The Father and I are one.'

Living the Gospel

In the gospel passage, Jesus says of the sheep that belong to him, 'I give them eternal life.' He does not say, I give them the promise of eternal life. The message that comes through the gospel of John is clear that eternal life is not some future existence, but rather a new way of being in the here and now. But that is not to suggest that there is not an 'eternal' quality to eternal life. The gospel of John makes clear that eternal life begins in the here and now but has no end.

Sunday 19th May Gospel reflection (John 13:31-35)

A reading from the holy Gospel according to John

I give you a new commandment: love one another.

When Judas had gone Jesus said:

'Now has the Son of Man been glorified, and in him God has been glorified.

If God has been glorified in him, God will in turn glorify him in himself, and will glorify him very soon.

My little children, I shall not be with you much longer.

I give you a new commandment: love one another;

just as I have loved you, you also must love one another.

By this love you have for one another, everyone will know that you are my disciples.'

Living the Gospel – Love is all around

Love surrounds us all the time. It is impossible to turn on a radio without hearing 'love' used in one way or another. Love is the most common theme of songs, poetry, literature and art. Although we might bemoan the casual use of 'love', the fact remains that we fill our lives with the sounds and images of love. It's easier to imagine the all-pervasive nature of God's love when we recognise just how pervasive the commercial and artistic expressions of love have become. As Christian people, the challenge that faces us is to imbue these expressions with a richer, deeper notion of love.

10th Anniversary Initiative

As part of our anniversary, we have employed the services of Andrew Chinn to write a new school song. We were privileged to have had the first song penned by our very own foundation parents. We have now 'grown up' and feel it is time for a new song. Andrew has worked with our school for some years and is familiar with our context. As part of the inclusive and collaboration, a survey will be sent out NEXT FRIDAY so that all members of our community have the option to contribute to this very significant process. Thank you.

Understanding A-E Academic Reports

At the end of this term, your child will receive their mid-year academic report. For all students Year 1 to 6, this is in the form of the legislated A-E Report style. As this is the first time Year 1 students receive the A-E Report, there will be a brief information session on Wednesday 29th May at 6pm in the Year 1 space. for Year 1 parents but all are welcome. This will be followed by a session for Year 1 parents on assisting your child with reading and writing at 6.30pm.

This week we took delivery of two large Orange Recycling Bins and the children were informed that OLA will be participating in recycling all 10c containers that are brought to the school. Children in all classes are being taught about the benefits of recycling to the environment and how we can all 'do our bit'.

All products that contain the 10c recycling logo are placed into the orange bins, and when full they are collected, money is deposited into the school account which can be used to purchase resources, donate to charities, etc,

Please encourage your children to remember to participate in this scheme to look after our world for many generations to come.

Once again, we are participating in the Woolworths Earn and learn sticker promotion. Just earn your stickers by shopping at Woolworths, and place your stickers in the box at Woolworths Rouse Hill, or drop them off at the school. The more stickers we earn, the more we have to spend!

From the Classroom of Year 1

At the end of last term, Year 1 dressed up in clothing from the olden days and celebrated a 'History Day'. We had been learning about family and school life in the past, so we invited some parents and grandparents to teach us how to play games they played when they were younger. We learnt how to play hopscotch, quoits, marbles, pick up sticks and elastics. It was such a fun day!!

"I loved learning how to make cat's cradle with wool." Ruby 1W

"I had fun playing hopscotch on History Day." Connor 1G

"It was fun learning the songs to sing while we were jumping on the elastics." Vienna 1B

What is Positive Behaviour Support for Learning?

PBS4L is a whole school framework that helps us create positive learning environments for all students at Our Lady of the Angels.

The PBS4L framework is a research based and proactive school wide system that establishes clear behaviour expectations.

Our fortnightly focus is how to solve conflicts with our friends.

Below are the expectations on what conflict resolution looks like at our school:

Focus	Respect for Self.	Respect for Others.	Respect for the Environment.
Conflict Resolution	<ul style="list-style-type: none"> Stay calm. Take a deep breath. Counting to ten. Seek help if you need it. 	<ul style="list-style-type: none"> Hands and feet to yourself. Use of kind words. Be fair and listen to others' points of view. Work out a solution together. 	<ul style="list-style-type: none"> Use school property and areas appropriately. Share the equipment.

WE'RE TAKING IT IN OUR STRIDE ON FRIDAY 17 MAY 2019

Well it's that time of year again when our school seriously starts talking about walking!

Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can build a walk into your family's daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way. Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey for Friday 17 May 2019!

DOES YOUR CHILD COME HOME REPEATEDLY COMPLAINING ABOUT FRIENDSHIP ISSUES?

THIS IS FOR YOU!

Many parents contact the school with concerns over the 'perceived bullying' of their child where, in fact, they are experiencing normal friendship issues and need to build their resilience.

PLEASE PUT THIS DATE INTO YOUR DIARY

You are invited to attend and participate in a truly valuable parent event on the evening of **Wednesday 19th June** where we will have one of **Australia's most respected and popular** parenting authors and speakers, **Dr Justin Coulson** presenting on '**9 Ways to a Resilient Child**'. Parents will learn the psychological secrets that build their child's sense of identity, strengths and growth mind-set in order to perform better, be happier and build resilience.

You are parenting at a unique time where advances in technology, the busyness of life and changes in our wider culture has led to a new range of challenges for our young people. As the primary educators of your children your role is vital and through evenings such as this we hope to support you to assist your children in the various issues they may be facing or face in the future.

Dr Justin Coulson is sought after for his expertise in family life, relationships, and wellbeing and resilience; and he is the founder of 'Happy Families' (<https://www.happyfamilies.com.au/>). Dr Coulson has written 5 books, and is a three-time **bestselling author**. He is an occasional columnist for the **New York Times** and appears regularly in all of **Australia's major news outlets for television, radio, and print**.

Justin not only brings credibility and experience. He is at the coalface of family life. He and his wife Kylie are the **parents of six daughters**. Justin will be travelling to be at our event from Brisbane, Queensland.

It is so important that as a wider Catholic school community we can unite to share resources and support each other to create a strong positive family life for our children. This event will be a joint event amongst the following Catholic schools in our area:

Santa Sophia Catholic College (Primary and Secondary)
St John Paul II Catholic College
Our Lady of the Angels Primary
John XXIII Primary / St Mark's Catholic College

Due to the changeover in season, we have been supplying uniform every day for the last two weeks, however from next week, we will be going back to filling orders on Monday and Wednesday. Please either send the uniform order with your child in their bag, or email it through to us. We thank you for your attention to this matter.

Headlice – It is a part of school life that head lice appear from time to time during the year. There have been a few cases recently, and we ask that all parents check your child's hair if their head is itchy and wash their hat. Please remind your children not to share hats and keep their hair tied back. If you find that your child has headlice, once you have treated it, then can return to school as normal.

Thank you for your attention to this.
