Student Attendance

Australia has one of the very best education systems anywhere in the world. Each day, our young people are provided with opportunities to learn more about the world they live in through their experiences in and out of the classroom. Schools teach children about themselves, their relationships with others and about life beyond school. This includes preparing them for the workforce.

Regular attendance at school is critical to ensuring that every student has the kind of opportunities in life that he or she deserves. When students are not at school, they are missing out on so much. Without the knowledge, the skills or the support that schools are so good at providing, young people can get left behind and find themselves underprepared for the fast-paced and often very challenging world.

Zone Swimming Carnival

Congratulations to all of our swimmers who represented OLA at the Zone Carnival last Friday. Feedback on their sportsmanship, beautiful behaviour and achievements has been wonderful. Best wishes to the children who will now compete at the Diocesan Carnival on 9th March. Many thanks to Mr Campbell for co-ordinating this opportunity for the children.

Thank you for your continued support. It is in partnership that we can achieve great things for our children.

Tony Calabria
Principal

Our journey towards Easter continues. It is indeed a special time as we gather as a faith community.

SECOND SUNDAY OF LENT YEAR B

Mark 9: 2-10

Gospel Reflection

In the gospel passage, we read about the disciples' experience of the transfiguration. The disciples' suddenly see Jesus' powerfully revealed but they fail to fully understand what is going on. Peter thinks he has caught on to the message. When the great prophets Elijah and Moses appear beside Jesus, Peter understands Jesus to be part of the line of prophets in the Hebrew tradition. He believes he has had great insight and is so impressed that he wants to remain on the mountaintop – setting up tents in honour of Jesus, Elijah and Moses. Mountaintops are important in many events within the Bible. They were places of special and dramatic encounter with God.

Gospel Focus-A New Vision

Jesus' new vision for the world is informed by the relationships forged between God and the prophets of the past, but it is a vision of a completely different way of relating to God: a much more personal relationship that calls us to respond from the heart to those around us. I wonder, how do you respond to those around you from the heart?

WHAT IS HAPPENING IN RELIGIOUS EDUCATION FEBRUARY

First Reconciliation: Please keep in your prayer our OLA students preparing for their sacrament of First Reconciliation.

Reconciliation: Fr Carlos and Fr Omar will be visiting classes from Years 4-6 to hear confessions this term.

LENT is a time where we reflect on our relationship with God and those around us. We take time to pray, make a sacrifice through fasting and give of ourselves to others through almsgiving. Please see our family Lenten calendar attached to the email.

PROJECT COMPASSION

Project Compassion is Caritas Australia's annual Lenten fundraising and awareness-raising appeal. Millions of Australians come together in solidarity with the world's poor to help end poverty, promote justice and uphold dignity.

We ask for your kind donations over Lent to reach out to others in need. Please send back boxes by Wednesday 24th March 2021.

Lenten Home Focus

Lead the family in prayer before your meal at dinner.

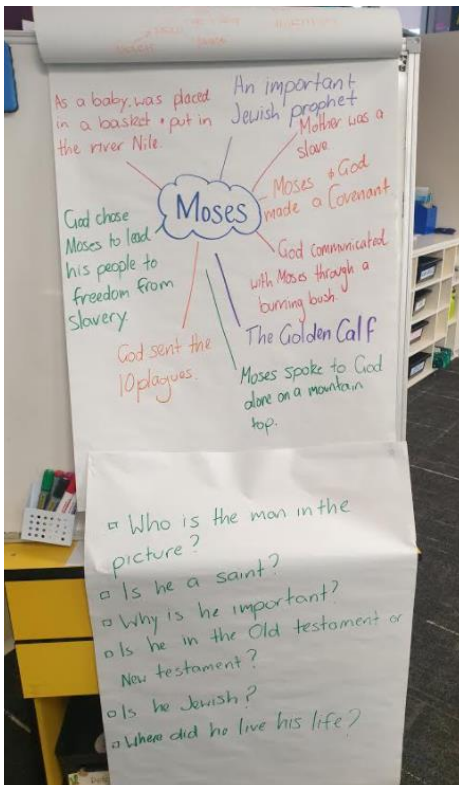

Here is an example of a prayer that your child can lead before your family meal...

Bless us, O Lord and these thy gifts, which we are about to receive from your bounty, through Christ our Lord, Amen.

Religion Focus in the Classroom

This week, in Religion, Year 4 have been focusing on how the Hebrew Scriptures teach us about prayer. Also, we had a visit from Fr Carlos who talked to us about prayer and shared with us some examples of times Jesus prayed.

Literacy News

Help them decode words by reading aloud

An awareness of the letters and sounds words make and understanding how they blend together to make words and sentences is called decoding. When you read you determine what the words are and whether they make sense in a sentence. The only way to check how your children decode, is to ask them to read aloud. This forces them to go slower, which gives them more time to process what they read, hearing the words as well as seeing the words on the page.

Find the right books

It's important not to set the bar too high. Generally, your child should recognize 90% of the words in the books they read in order to feel comfortable with the reading process. Stopping more often will interrupt the flow and will just confuse him or her as they try to focus on the overall meaning of the story. Obviously, also pick stories that interest them. It could be fairies, adventures, cars or Star Wars. We all prefer to read books about things we are interested in, so let your children do the same.

Theme of the Week "Doing Your Best"

As a learner it is important that you are always doing your best in everything you do, in academics, behaviour, relationships etc. Expecting the 'best' from our children and encouraging them to always give their best allows their true potential to shine. Children who always do their best are usually content with the effort they have put into a given task or the behaviour they have displayed and are not continually saying 'I could have done better'. Doing your best at your own level is one key to success; it does not always mean coming first.

Student's Birthday -

Celebrating a birthday is something all children look forward to! In regard to birthday treats that are sometimes sent in, we kindly ask that you refrain from sending anything in during this COVID 19 period. This is to ensure that children are only eating food that is supplied and/or prepared by you at home.

At this current time, we also kindly ask that you do not send in non-edible items as birthday treats eg, pencils etc due to COVID 19 as it is always unknown as to who has handled the items from manufacturer to classroom. This restriction is aimed solely at doing everything we can to ensure the safety of your child.

Zone Swimming Carnival

On Friday 19th February, 23 students from Year 3-6 competed in the Hills Zone Swimming Carnival. It was a fantastic day, as all of the students represented our school with pride. Congratulations to the following students who will now compete in the Parramatta Diocesan Swimming Carnival on Tuesday 9th March at Blacktown Aquatic Centre:-

Fionn Galway, Isaiah Balangon, Phoenix Rich, Roko Deur, Ruby Masters, Erica Sommer, Lucas Clarke, Alysha Balangon, Chloe Holden, Ryan Knipler and Abbey Hollier.

Why is my Child's Teacher out of Class?

Like professionals in other fields, all teachers are required to keep up to date with current thinking on best practices and new developments in all curriculum areas. From time to time teachers are required to attend professional development opportunities to learn about changes to curriculum, new methods of teaching & learning and other ways of integrating technology. These sessions sometimes occur during the day, after school or in the school holidays. Teachers are also given time at the beginning of the year to conduct assessments to pinpoint your child's learning needs. Some teachers also have additional responsibilities which benefit the whole school. At times, teachers are also required at diocesan events etc. Teachers also have entitlements such as sick leave, long service leave, maternity leave, bereavement leave, jury duty etc. Consequently, there will be times when your child's teacher is absent from the classroom. On these days the teacher's program and day book is followed. Teachers on a grade work closely together allowing the grade partners to liaise with the substitute teacher so that good teaching and learning continues, and routines are kept. We thank you for your support in this area.

Lauren qualified in the U9 girls 700m walk with a personal best time.
