11th August, 2023
Term 3, Week 4

Dear Parents

FEAST OF THE ASSUMPTION

This Tuesday 15th August, we celebrate the Feast of the Assumption. We continue to ask Mary to bless us with her grace each and every day of our lives. The students will celebrate the Eucharist with a whole school Mass at 11.45am this Tuesday. All are most welcome to join us on this Holy day of Obligation.

Father in Heaven
All creation rightly gives you praise,
For all life and all holiness come from you.
In the plan of your wisdom
She who bore the Christ in her womb
Was raised body and soul in glory to be with
Him in Heaven.
May we follow her example in reflecting your holiness
And join in her hymn of endless love and praise.
We ask this through Christ our Lord.
Amen.

OLA PARISH/SCHOOL FIESTA

Thank you to one and all for your absolutely overwhelming attendance and support at the combined OLA Parish/School Fiesta last Sunday. The whole day was just amazing. The Mass in honour of our Lady through to the fireworks and all the delicious food, fun rides, entertainment and socialising in between, was a wonderful example of our Christ-centered faith community coming together as one. The feedback around the day has been extremely positive.

This massive event would not have been possible if it was not for the outstanding organisation and effort from our Fiesta Committee leader, Michael Said (Alannah 3W). Every aspect of the day was meticulously planned and catered for with everyone just loving the Fiesta.

A sincere thank you from all of our OLA community to Michael, the parish team and stall co-ordinators for their efforts.

Thank you to all our performers on the day. To the choir led by Mrs Cheadle and Miss Brown, to the dancers led by Miss Hogan and to the band led by Maddison & Lucia from Teaching Services Australia. You were all simply outstanding..

Thank you to Elizabeth McKee and Zoe Bell for leading the procession and our First Communicants who also featured.

To all of our parents that helped in one way or another to make the Fiesta great, we thank you. Whether you volunteered on a stall, or came and generously supported on the day, your contribution is greatly valued. To Fr Carlos and Fr Omar, we say thank you for leading our parish/school community.

*Congratulations to **all** of the stall holders. Thank you for co-ordinating and leading your stall. Finally, thank you to all of our sponsors. Your support of our community is very much appreciated.*

The day was extremely successful, not just for funds being raised (still to be finalised) but more importantly in giving our parish/school community and beyond an opportunity to gather and celebrate OLA.

Be sure to check out our school Facebook page or the parish website for some photos of the Fiesta. Please also see a further thank you and acknowledgement of sponsors in this newsletter.

Thank you for your continued support. It is in partnership that we can achieve great things for our children.

NINETEENTH SUNDAY IN ORDINARY TIME YEAR A 13-08-2023

Gospel Reflection Matthew 14:22-33

In today's Gospel, we see that the disciples certainly got the inside running on all of Jesus' teachings; they witnessed the miracles; and were themselves empowered to carry on the work of Jesus. They can be seen as the prototypes for all the followers of Jesus that have come since. What does it mean to describe oneself as a Christian today? We can describe a Christian as one who learns from the teachings of Jesus and seeks to emulate the work of Jesus. That is, a Christian is someone who models their life on the example of Jesus and is the face of Jesus to others.

What's happening with RE in the classroom...

In Year 3, students are learning about Jesus. Over the last few weeks, they have been looking at scripture passages about Jesus and how He was a good influence on others. This week, Fr Omar visited the Year 3 Learning space to speak to them about Jesus being the path to hope and joy. He explained God's influence on us reflected back to the example of Saint Mary MacKillop.

Here are a few Kindergarten students showing their St Mary MacKillop they created on Tuesday to celebrate her feast day.

From the Parish Office...Children's Eucharistic Adoration

"Let the children come to Me and do not hinder them; for to such belong the Kingdom of Heaven." - Matthew 19:14

We invite all school aged children (Year 3-6) and their parents to spend quality time in the loving presence of the Lord truly present in the Blessed Sacrament through guided prayer and singing hymns. Babysitting is available for children 5 years and under. Light refreshments will be provided afterwards.

Fiesta Wrap Up

A HUGE thank you to those involved in the mass and procession, all the stallholders, volunteers, entertainment providers, donors, generous sponsors and others that contributed to making our OLA Family Fiesta such a great success. It would not be possible to hold an event such as this without your support. We sincerely thank you for all your efforts and the countless hours of planning and preparation that was involved.

We give thanks to our Lord Jesus and Blessed Mother who once again blessed us with great weather.

Many thanks also to everyone who attended this year's Fiesta. The incredible turnout provided a fabulous atmosphere and contributed to what was a wonderful celebration of the Feast of Our Lady of the Angels. We hope you had a fantastic day, and we look forward to seeing you again next year. The Fiesta Committee would love to hear any feedback you may have on your Fiesta experience. NAPLAN 2023 – OLA has once again achieved Outstanding Results.

We are thrilled to share some wonderful news regarding the 2023 Year 3 & 5 NAPLAN results. Our students' outstanding performance was evident across all domains: Reading, Writing, and Numeracy. Our students, in both Years 3 & 5, have achieved exceptional results, surpassing other schools in the top two bands in all domains. These results reflect the collaborative efforts of our dedicated students, supportive parents, and hardworking teachers.

We believe these achievements are a testament to the strong sense of community and commitment to excellence that defines OLA School. As we celebrate these remarkable results, we look forward to continuing our journey of learning and growth together.

Thank you for your ongoing support and partnership in providing the best educational experience for our students.

NAPLAN 2023 Results Highlights: Percentage of students in the **top 2** proficiency levels

	Year 3			Year 5		
	Reading	Writing	Numeracy	Reading	Writing	Numeracy
OLA	85%	96%	85%	95%	90%	90%

Student achievement in NAPLAN is reported using proficiency standards for each assessment area at each year level. The standards are set at a challenging but reasonable expectation of what students know and can do at the time of testing. There are 4 proficiency levels:

- **Exceeding:** the student's result exceeds expectations at the time of testing.
- **Strong:** the student's result meets challenging but reasonable expectations at the time of testing. **(where they should be)**
- **Developing:** the student's result indicates that they are working towards expectations at the time of testing.
- **Needs additional support:** the student's result indicates that they are not achieving the learning outcomes expected at the time of testing. They are likely to need additional support to progress satisfactorily.

Week 4 MATHS FUN

Can you solve our Maths problems for this week? Please bring your answers to share with Mrs Vella next week!

Infants Learning Task

Lucas has 15 marbles. He takes them to his friend's house. He loses 3 on the way and 4 in his friend's house.

How many marbles does he have left?

Primary Learning Task

Mrs Goldsworthy makes some biscuits to sell at the school Fiesta. The recipe uses 300g flour, 125g butter and 200ml milk to make 12 biscuits.

1.5kg flour costs 80c,
250g butter costs 85c and 2
litres of milk costs \$1.90.
What is the cost of ingredients
to make 120 biscuits?

Canberra Overnight Excursion

On Thursday 3rd August, Year 6 took off to explore our Nation's capital. Some of the places we visited included The National Electoral Education Centre, Parliament House, The National Museum and Questacon. One of the many highlights was when we visited the House of Representatives and got to see our Prime Minister, Mr Albanese live in action during question time. It was such a wonderful experience and we will treasure these memories forever.

Many thanks to Mrs Vella, Mrs Jurcevic, Mrs Borg, Mrs Schroder and Mr Cauchi for being with the children during the excursion and for providing them with this amazing learning experience.

The Pacer Rebate

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion to Australia Government is contributing funding of \$30.00 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of this excursion. The rebate was included in the cost of the excursion fee.

We Bounce Back and Move Forward at OLA

Compliments and Praise

Students at OLA are encouraged to compliment their peers. Why? Chances are, they have had days where things don't seem to be going their way—but then they receive a compliment from someone that turns their day around. While compliments may seem simple, they can have a large impact on you and the people around you, creating a ripple of positivity.

1. Giving compliments increases your happiness.
2. Giving compliments makes you grateful.
3. Giving compliments strengthens your interpersonal relationships.
4. Giving compliments increases your stress resilience and physical health.
5. Giving compliments creates a ripple of positivity.

Praise can also nurture a child's confidence and sense of self.

By using praise, you're showing a child how to think and talk positively about themselves. It can help a child learn how to recognise when they do well and feel proud of themselves.

Descriptive praise is when you tell your child exactly what it is that you like. For example, 'I like the way you've found a spot for everything in your room'. This helps your child understand exactly what it is that they've done well. It's also more genuine than non-specific praise like 'You're a good boy'. Encouragement is praise for effort – for example, 'You worked hard on that maths homework – well done'. Praising effort can motivate your child and encourage them to try hard in the future.

Compliment Circle Starters

- I think you...
- You are...
- I like how you...
- I like the way you...
- Thank you for...
- You are good at...
- You were a good friend when...
- It was nice of you to...
- Good job showing...
- You worked really hard at...

Birthday Treats

We kindly ask that you continue to **NOT** send in any birthday treats of any kind, edible or non-edible. This is to ensure that children are only eating food that is supplied and/or prepared by you at home. **Continuing this practise at this time is aimed solely at doing everything we can to ensure the safety of your child, particularly as Covid is still present within the wider community.**

OLA SPORT NEWS.....

Values Matter at OLA

What are values? *Ideals that guide our behaviour.* They are ideals and beliefs we hold as special. Caring for others, for example, is a value; so is the freedom to express our opinions. Values are what people think is right and wrong, good and bad, desirable and undesirable.

This week we are focussing on the value of: **Fair Go** – pursue and protect the common good where all people are treated fairly – for a just society.

“Blessed are those who hunger and thirst for righteousness, for they will be filled.” Mt5:6

In this beatitude Jesus invites us to be passionate about the promotion of justice, not just thinking that the concept of justice is a good idea. Justice people are action people.

This value includes the following characteristics:

- Respecting authority. *Do you teach by example?*
- Being involved in your community. *What do you do as a family/individuals to show you ‘care’?*
- Does your child belong to a community group that is involved in helping others? *As a family, do you provide for people less fortunate than yourselves? Eg, St Vincent de Paul.*
- Accepting other people and their backgrounds and
- Being tolerant and understanding of difference which includes religious, physical, family or personality differences.

The overall message:-

Being committed to the principles of social justice, opposing prejudice, dishonesty and injustice.

Theme for the Week

“Fair Go”

Our theme this week is another of the 9 values for Australian Schooling. It focuses on treating others fairly and allowing others to participate; promoting justice, acceptance and tolerance. This value helps our society live in harmony and to foster relationships.

IMPORTANT
