

Dear Parents,

CATHOLIC SCHOOLS WEEK

This year we will once again join with more than 620 Catholic schools across NSW and ACT to celebrate Catholic Schools Week. There is so much faith, fun and learning that takes place each day at OLA that to fit it all in our Catholic Schools Week will be held over a two week period, from 5th March to 17th March. On 17th March we will have a special Catholic Schools St Patrick's assembly at 9.00am. We hope you can join us.

Additionally, this coming week (Week 7) we will once again have our termly "**Family Week**". Family Week sees the children have a break from formal home learning (although we ask that every child still reads each night) to spend time with you as a family or helping you for the family. You may choose an activity that you can do as a family each day with your child. Examples in the past have included playing UNO Flip, having some quiet time together, preparing a meal together, teaching the dog tricks, helping with your siblings, setting the table, telling 'dad' jokes, playing Connect4, reading mum or dad a book, washing the car, watering the garden, writing mum and dad a thank you note, spending time in prayer-saying the Rosary, going for a family walk etc. Family Week is aimed at freeing children up to assist and/or spend time with those who love them most, their greatest heroes, you their parents and family.

The theme for Catholic Schools Week across NSW for 2023 is '**Our Teachers Make the Difference**'. It is a special time which encourages schools to showcase the many learning opportunities available to students and celebrate our unique Catholic schools.

Catholic Schools Week is about strengthening relationships between all those who have a stake in our schools – students, staff, families, priests, parishioners, and members of the wider community – showcasing what happens in our classrooms every day.

Our school has a wonderful, supportive community of staff, parents and clergy who work together to focus on giving students the best education possible, encouraging success, promoting discipline, support creativity and instilling compassion. Everything we do in our OLA Christ centred community is underpinned by our Gospel values. I would like to take this opportunity to thank you for all your support of OLA and I look forward to celebrating Catholic Schools Week with you.

'OUR TEACHERS MAKE THE DIFFERENCE'

**Just some of our OLA team, looking good in our new Staff tops.
What a team!!**

Thank you for your continued support. It is in partnership that we can achieve great things for our children.

Second Sunday of Lent (Year A) 5-3-2023

Gospel Reflection ([Matthew 17:1-9](#))

God's voice from the cloud claims Jesus as his Son, the Chosen One, and then goes on to instruct those present – and we, the readers – to 'Listen to him!' For the disciples, this was a message not to get carried away with their own ideas about the Messiah but to listen to what Jesus was saying about the suffering he must endure and to what he was saying about true discipleship. Jesus tells us that to be a follower of his involves sacrifice, hardship and often unpopularity. It is this message we must listen to as much as the promise of salvation

(Greg Sunter @ Liturgyhelp.com)

Parish (9.00am) and School Masses as indicated

Parents are most welcome to attend all masses with the children

Please see below for timetable.

WEEK 7: Wednesday 8th March (Year 5/Year 3)

WEEK 8: Tuesday 14th March (Year 4/Year 6/Kindergarten)

WEEK 9: Tuesday 21st March (Year 1/Year 2)

WEEK 10: Wednesday 29th March (Year 5/Year 6/Kindergarten)

Week 11: WHOLE SCHOOL ATTENDING SHRINE FOR HOLY WEEK at Kellyville
(Grades will be staggered throughout the day)

LENT is a time where we reflect on our relationship with God and those around us. We take time to pray, make a sacrifice through fasting and give of ourselves to others through almsgiving.

Caritas – Project Compassion 2023

Project Compassion is Caritas Australia's annual Lenten fundraising and awareness-raising appeal. Millions of Australians come together in solidarity with the world's poor to help end poverty, promote justice and uphold dignity.

This year we will once again be fundraising in a different way for Project Compassion. Donations can be made throughout the Lenten Season using the **QKR App** (under Fundraising), or directly through the Caritas site at

<https://fundraise.projectcompassion.org.au/ourladyoftheangels>. All fundraising proceeds made through the QKR App will be forwarded to Caritas at the beginning of Term 2.

To promote children's understanding of giving to others this Lent, why not ask your children to help around the house to earn some money for Project Compassion. Instead of receiving coins to go into the traditional Project Compassion Box, maybe you could run a tally that they can see, and at the end of it make the donation online together.

Please keep in your prayers Mrs Lisa Hurst and her family on the passing into eternal life of her dear father last evening.

We extend our deepest sympathy and condolences to the family during this difficult time.

Eternal rest grant unto him O Lord, and may perpetual light shine upon him. May he rest in peace. Amen

First Reconciliation:

Please keep in your prayers our OLA students preparing for the Sacrament of First Reconciliation.

Sacramental Program Term 1

First Reconciliation Sessions are held on:-

Thursday 9th March at 6.30pm

Thursday 16th March at 6.30pm

Thursday 23rd March at 6.30pm

First Reconciliation is on Saturday 25th March at 10.00am and 11.00am.

STAFF DEVELOPMENT DAY

MONDAY 24TH APRIL, 2023

Children DO NOT attend school on this day.

School resumes for Term 2 on Wednesday 26th April as Tuesday 25th is ANZAC Day.

This year during Lent, we will also be supporting the Jesuit Social Services Ignite store. The Ignite store provides affordable groceries including fresh fruit and vegetables, meat, and dairy, to the Mt Druitt and wider community. We are asking students from different grades to donate items to fill the shelves of the Ignite store, which is in desperate need of replenishing. We have attached a short slide show to give you more information about the Ignite store. Items we will be collecting from each grade are below;

| | |
|----------------------|--|
| Kindergarten: | Biscuits-Sweet/Savoury/Rice cracker/Crackers |
| Year One: | Pasta Sauces/Simmer sauces/2-minute noodles/cup noodles/Cup-a-soups/Rice |
| Year Two: | Breakfast cereals/Flour/Jelly/Museli Bars/LCM Bars |
| Year Three: | Canned goods - Soups/Canned Vegetables/Ready to eat meals/Tuna |
| Year Four: | Chutney/Relish/Mustard/Pickles/Sauces-Worcestershire/Soy/Salad Dressing |
| Year Five: | Coffee/Milo/Tea bags/Nesquik/Hot Chocolate/Cordials/Juices/Poppers |
| Year Six: | Spreads-Honey/Vegemite/Peanut Butter/Nutella/Jams |

We ask families to send in items on the 17th March, when we will be celebrating Catholic Schools Week/St Patrick's Feast day with **green muffi**. We have arranged pick up of the items after 17th of March.

MacKillop Hoodies

We are proud of our school uniform and how smart the children look. As the representative season begins, children that represent MacKillop often purchase a hoddie to mark the event etc.

*This MacKillop sports hoodie is not part of our school uniform and is **NOT** to be worn at school.*

Many thanks for your continued support in this area.

P&F AGM

Thank you to the parents who were able to attend our P&F Meeting on Wednesday evening. Your ideas, feedback and affirmation of what we do well is greatly appreciated.

Congratulations to our P&F Committee for 2023:-

2024 Kindergarten Enrolments – Sibling

If you have received a sibling enrolment form for 2024, can you please return it as soon as possible so that we can start processing these forms.

If you have not received a form, please complete the google form and we will send one home to you.

<https://forms.gle/ZKANXX84hsLUpbDc9>

School Fees

All families should have received their 2023 school fees in the mail. If you have not received your fees, please contact Mrs Goldsworthy as soon as possible and a copy will be forwarded to you.

If you have any queries at all, particularly if you wish to set up a payment plan, please do not hesitate to contact Mrs Goldsworthy. If you are paying your fees by the term, then the due date is 15 March.

Birthday Treats

We kindly ask that you continue to **NOT** send in any birthday treats of any kind, edible or non-edible. This is to ensure that children are only eating food that is supplied and/or prepared by you at home.

Continuing this practise at this time is aimed solely at doing everything we can to ensure the safety of your child, particularly as Covid is still present within the wider community.

Opal Card – We ask parents to remind their children that it is very important that they tap on and off the bus as this helps to determine the demand for buses. Failure to do this may result in a service being cancelled due to lack of recorded patronage. This is a condition of using an Opal Card.

Happy birthday to members of our OLA Community who have celebrated their birthday this week or celebrating their birthday this coming week....

Do you Have the Information you Need?

Thank you to the many parents who contact the teachers, the office, Mr Cauchi or Mr Calabria directly with questions, concerns, feedback, issues and more importantly to seek clarification. Society is such that information is often misconstrued or acts like 'chinese whispers'. Common sense should always prevail. Today's sensationalistic media does not help with the dissemination of accurate information. It is always paramount that if you are unsure that you speak to the people that know and have the correct information.

*To that end, please always send any emails to ola@parra.catholic.edu.au and these will be forwarded to your child's teacher, Mr Calabria or Mr Cauchi. Please **DO NOT** send any emails to your child's teacher directly.*

We love our pet dogs but.....

Please be aware that dogs are NOT permitted to be within the church/school grounds at anytime (exceptions are guide dogs & those organised specifically by the school). As you may appreciate there are children that are scared and unfortunately pets can be unpredictable. This is a ruling in all schools. Thank you for your support in this area.

Dropping off too early??

Please be aware that student supervision officially begins at 8.20am when the school gates are open. If, on the odd occasion you arrive a little early, your child **must be seated** near the entry gate next to Admin until the teachers on duty arrive at 8.20am. Thank you for your support in this area.

IMPORTANT NOTICE

If your child has an accident at school and needs a change of clothes, we always do our best to accommodate them. If they come home in changed underwear, socks and/or uniform, can you please ensure that the items are washed and **returned to school as soon as possible**.

Thank you for your assistance with this matter.

Read to Succeed - Rug Reading Afternoon

Hundreds of parents with their favourite books joined the children to enjoy a good read this afternoon. The playground and library were overflowing and buzzing with everyone sharing their favourite books and reading together. It was wonderful to see children, parents and grandparents reading to and with each other. Your extremely positive feedback of this popular event was very much appreciated.

Tech Tip Week 6

Tech Tips from eSafety Website

Online Safety Basics

Here are three key strategies to help you and your children safely navigate the digital world.

- 1. Be engaged, open and supportive:**
 - Get involved. Share online time with your children as part of family life.
 - Ask about their online experiences, who they are talking to and whether they are having any issues.
 - Always reassure your child they can talk to you about their online experience.
- 2. Set some rules:**
 - Set age-appropriate rules for devices and online access, with consequences for breaking them.
 - Allow your child to have some input as this will help them understand the risks.
 - Consider creating a family tech agreement.
 - Consider making some 'rules for parents' too — and stick to them! Model behaviour that you would like to see.
- 3. Get to know your device and its features:**
 - Get to know the devices you and your children use and set them up for privacy and online safety.
 - Take advantage of parental controls to monitor and control screen time and access to content in ways appropriate to your child's age and experience.

Maths News

Thanks to the students who shared your answers from last week's questions. There was some unbelievable thinking. Mr Cauchi would love to see more answers from this week's questions. Please share.

Infants Learning Task

I had some choc-chips cookies to share with my friends.

When I laid out my cookies on the table, I could see almost straight away that there were 16 cookies.

Draw a picture of what my cookies may have looked like arranged on the table.

Enabling Prompt

What if I had 10 cookies? How might I have arranged them?

Extending Prompt

What if I had 24 cookies?
What if I had 36 cookies?
What if I had 60 cookies?

Primary Learning Task

Times as Many

In my Basketball club, there are between 20 and 50 players. I know that there are 3 times as many girls as boys. How many girls and boys might there be in my basketball club?

Enabling Prompt

An insect has two times as many legs as wings. If there are two wings, how many legs might there be?

Extending Prompt

Convince me that you have found all of the possible answers to the learning task.
What's a rule that tells you what the answers might be?
Is there a pattern in the total numbers of students in each case?

We Bounce Back at OLA

Students at OLA have been learning about using 'I' statements. These statements are encouraged to be used to express what has happened and how it made them feel. It also allows the child to suggest a possible resolution. Mastering an 'I' statement can take time. It is important that opportunities are given to children to practise using these statements in a variety of situations.

How can I construct an 'I' statement?

'I' statements allow children to **name what happened**, **state how it made them feel** and **identify what they would like to happen next**.

Example: 'When you took my pencil, I felt upset because it is my favourite pencil, so I would like it if you asked me before you used my pencil.'

Example: When you kicked the ball away from the game, I felt angry because it disrupted the game. I would like it if you played the game according to the rules.

Example: When you choose the game that we play everyday, I feel frustrated because I would like to play something different. I would like it if we could take turns choosing the game.

We are all capable of developing skills and strategies to 'Bounce Back' and build resilience. When faced with conflict, students at OLA are encouraged to...

1. Calm down by taking a deep breath, taking a break or thinking of something calming
2. Take turns speaking using 'I' statements
3. Agree on a solution

We ask that you continue this conversation at home to identify the strategies that work best for your child/ren. You may like to discuss the strategies that can be used at home and the different strategies that can be used at school.

You may like to watch this catchy music clip together. [The Playground Craze - BounceBack Video on Youtube.](#)

Resilience

Each day our children grow and learn. They are on an exciting journey that is yet to unfold. Fostering resilience in our children is essential for their success in life.

Resilience is:-

- The capacity to cope and feel competent
- The ability to accept life's disappointments and bounce back from hard times
- A generally positive attitude to life
- A mixture of attitude, skills, abilities and characters

Some are born with a more resilient spirit, others have resilience fostered by early childhood experiences.

What does a resilient child look like?

| | |
|------------------------------------|--|
| Healthy thinking habits | Bounces back from adversity |
| Realistic/detective thinking | Has empathy for others |
| Helpful thinking | Moves forward & doesn't dwell on what has happened |
| Being optimistic/positive attitude | Good problem-solvers |
| Independent and resourceful | Abel to mix well with others |

Children need the freedom to:-

- Grow up free from having to please their parents all the time (hopefully they will want to please you because of shared values)
- Be free to make their own mistakes (making mistakes is how we learn)
- Be free to feel discomfort and learn from life's disappointments.

"Prepare our children for the path, not the path for our children"

OLA Sports News

What a huge week for our OLA sporting students. We had over 20 students participate in the selection process for Tennis, Soccer, Basketball, Rugby League and Netball. As we await further results, we are extremely proud of all the students and how they represented not only themselves but also our school.

Football (Soccer)

With over 100 boys trialling for the Parramatta Football team which was conducted over two separate days, we are extremely proud of Alessandro Albertini on his selection into the Parramatta Team. This is a huge accomplishment. Alessandro, we wish you all the best at the Mackillop Trials in May at Goulburn.

Basketball

A huge congratulations to Max Masters who has been selected to represent Mackillop at the NSW basketball trials in May. All his time, effort and dedication has paid off and he is beyond excited to trial for the NSW Basketball team in May at Tamworth. Wishing you all the best Max.

Hills Zone Swimming Carnival (Thursday, 9th March)

Zone Swimming is coming up next week and we wish all our OLA competitors the best of luck. They will take part on Thursday alongside the best swimmers from our local Hills Zone schools at Mt Druitt Pools. An email will be sent before the carnival and your children will bring home an event pool pass. The pass will give your child free entry to the pool. We look forward to some amazing swimmers representing OLA and competing on the day. Good luck OLA team!

Cross Country

Congratulations to Vienna Gergely Hollai who will be joining the OLA Cross Country Team and racing at the Diocesan Cross Country in Week 3 Term 2.

Sport House Names

Do you know who your colour house is names after?

Marian House (Blue House)

The Blue House has been named after Our Lady also known as Our Lady of the Angels. Throughout the year there are many occasions we honour Mary through Marian devotions.

Gabriel House (Gold House)

The Yellow House has been named after the angels Gabriel, who visited Mary at the annunciation. Angels are part of our school namesake and were present at Mary's side.

Francis House (Green House)

The Green House has been named after our Franciscan background of our parish Our Lady of the Angels. Also known as Santa Maria degli Angeli (St Mary of the Angels) is a church situated at the foot of the hills in Assisi. Our Lady of the Angels Church is attached to the Franciscan Monastery and was founded by St Francis.

Clare House (Red House)

The Red House has been named after St Clare, who was taken in by St Francis and joined the Benedictine nuns. St Clare heard St Francis of Assisi preach during a Lenten service and he helped her devote her life to prayer and live her life according to the Gospel.
